### Using this pathway

1. Check the relevant statewide referral criteria by following the relevant link below.
2. Prepare the required information and refer to the appropriate service.
3. If appropriate and with patient consent, contact the Aboriginal Hospital Liaison Officer from the relevant service.
4. Inform the patient to take a copy of the referral and any medications to the hospital.

### Statewide Referral Criteria

- Contraception
- Dysplasia / abnormal cervical screening test
- Endometriosis
- Ovarian and other adnexal pathology
- Persistent or unexplained intermenstrual bleeding
- Persistent pelvic pain
- Persistent, heavy menstrual bleeding
- Post-coital bleeding
- Post-menopausal bleeding
- Pregnancy choices
