Pain Management in Palliative Care for GP's – ONLINE Session

Tuesday 20th July 2021

Time: 6.00pm – 8.00pm

Are you a Doctor in Victoria Australia ? You are invited to join us in an interactive session about pain management in palliative care.

Target Audience:

This workshop is for **General Practitioners** based in Victoria (Australia) who care for people with a life-limiting illness. **Practice Nurses** are welcome to attend.

Facilitator: Dr Fiona Runacres:

Dr Runacres is a palliative care specialist, with clinical appointments at Calvary Health Care Bethlehem and Monash Health. She previously undertook general practice training and gained her FRACGP in 2011. Dr Runacres works in community palliative care, inpatient palliative care and outpatient clinic settings. Her clinical interests include specialist palliative care for patients with life-limiting non-malignant disease, including renal supportive care and neuropalliative care.”

A WebEx link and access guidelines will be provided prior to the workshop.

Eventbrite registrations will close approx. 4 days prior to the workshop date.

Workshop Pre-requisite:

To maximise learning PEPA offers 6 online GP learning modules. The modules have been developed by the Palliative Care Education and Training Collaborative and can be accessed by this link:

<https://palliativecareeducation.com.au/login/index.php>

PEPA is an accredited educator with RACGP (Workshops are eligible for Category 2 CPD points)

Would you like to see first-hand what specialist palliative care providers do?

For more details go to the PEPA website and download an information booklet:

Non-Attendance

PEPA workshops are in high demand. While PEPA is free to participants, there are costs to running the workshops and engaging specialists in palliative care to provide this education. If you find you are unable to attend the workshop after registration, please advise PEPA as soon as possible so we may offer your place to someone else.

If you do not advise PEPA Victoria you are unable to attend, you may incur an administrative fee. Repeat non-attendance after registration may prevent future registrations. Thank you for your understanding.
