**SEMPHN Practice Networks for both Practice Managers and Practice Nurses, offer quality education delivered by expert speakers, along with networking and information sharing opportunities with other general practice staff across our catchment.**

### How do they work?

#### Practice Network Events:

Practice Managers and Practice Nurses in our catchment come together for bi-monthly 2 hour education sessions on relevant topics, learning from and connecting with their peers, expert speakers and invited guests. All attendees receive a certificate of attendance.

Events are held in both Frankston and Dandenong, and alternate between breakfast/evening events.

#### Online Practice Manager and Nurse forums:

SEMPHN's dedicated on-line Basecamp chat forums for both Practice Managers and Practice Nurses, allow practice staff to ask questions, stay connected, and share information and resources with their peers.
