## Practice Networks 2021

**phn**  
SOUTH EASTERN  
MELBOURNE

An Australian Government Initiative

SEMPHN Practice Networks for both **Practice Managers** and **Practice Nurses** offer quality education delivered by expert speakers, along with networking and information sharing opportunities with other general practice staff from across our catchment.

### How do they work?

Practice Managers and Practice Nurses in our catchment come together for bi-monthly education sessions on relevant topics, learning from and connecting with their peers, expert speakers and invited guests. All attendees receive a certificate of attendance.

Practice Networks will take place online through Zoom software until further notice.

### Cost

Practice Networks are free to attend.
