Do you have a story to share about your health?

We are looking for storytellers who are willing to join us for an interview about their health experiences.

This interview will be recorded.

In the end product, the interviews will be shown as a series of presentations or videos including audio interviews, quotes, and illustrations to portray stories.

Call us to find out if your story is suitable for this project!

We’d like to hear from you!

We are looking for people with specific experiences.

See the eligibility criteria for this project:

• A father
• Living or working in Bayside LGA
• Keen to share stories about
  • Your health, and
  • How your alcohol consumption has affected your life

Who are we?

South Eastern Melbourne Primary Health Network fund health services in your community.

Sharing your story can help us improve these services for you and others.

If suitable for this project, you will:

• **Receive $200 Coles/Myer voucher** for joining a two-hour interview, at a location you’re comfortable in, or over Zoom.
• Know what you are consenting to and know that you can withdraw your consent at any time
• Be able to have a support person present at the interview and/or be encouraged to have support available, should the interview affect you in any way.

Here’s how to get involved

Call us on **(03) 8514 4448**, or to find more information, visit our website: www.semphpn.org.au/resources/personas
