

Practice Networks 2018

SEMPHN runs Practice Network Groups across our catchment (Frankston, Dandenong, St Kilda) for Practice Managers and Practice Nurses. The meetings are held every two months at each site.

How do they work?

Get together with, and learn from, your peers, presenters and invited guests.

Supported by SEMPHN, there are opportunities for networking and peer support, including a dedicated online forum to ask questions of each other, stay connected, and share information and resources.

Cost

The Networks are provided at no cost. Light dinner will be served.

Registrations

Please contact providersupport@semphn.org.au.
